## Welcome to Pender County & Topsail Island

Pender County Tourism, the Greater Topsail Area Chamber of Commerce, and the Burgaw Area Chamber of Commerce welcome you!

This region offers a beautiful landscape for the perfect vacation – toes in the sand, soaking up the sun and surf or try something more adventurous, such as running a Jet Ski up the Intracoastal Waterway or learning to surf.

Pender County is a rich in natural resources. We're a destination vacation playground of water sports and beaches, hiking and exploring. Traverse the Intracoastal Waterway and our inlets. We have many charters and tour companies who will help you explore our waters. Fish the Northeast Cape Fear River and Black River, launch a canoe at Moores Creek National Battlefield, or fish from our famous ocean piers.

Our attractions are award winning. Visit the Karen Beasley Sea Turtle Rescue and Rehabilitation Center where sick and injured sea turtles are nursed back to health. Visit the Missiles and More Museum, where rocket technology was developed in the Assembly Building and where pirate lore is displayed. Don't miss a visit to Moores Creek National Battlefield, Southeastern North Carolina's only national park, the site of the first Patriot's victory over the Loyalists. Tour the Town of Burgaw, the town that Hollywood loves to film.

Our treasured riches include our food fare. We're home to the North Carolina Blueberry, Bacon, and Spot Festivals. We're the "Seafood Capital of the Carolinas." Our restaurants feature tantalizing flavors with a variety of cuisine, seafood, and traditional Southern meals.

Welcome to Pender County where you will find we are a place to vacation, live, work, and play. The Pender County Tourism Office, the Burgaw Area Chamber of Commerce, and the Greater Topsail Area Chamber of Commerce are here to assist.

## The insider's scoop on what you need to know at the beach...

We're one of the **pet-friendliest** islands in North Carolina. In Surf City, dogs are allowed on the beach, but must be on a leash at all times. In the Town of Topsail Beach, in season, dogs must be on a leash, however, from Oct. 1 – May 14, dogs are permitted off leash as long as they are under voice command.

### Remember the turtles!

Lights out!  
If you are beachfront, please turn off the rear porch and deck lights. Turtles are drawn to light and if the porch light is on facing the beach, turtles, especially hatchlings, become disoriented and die. They need to be guided by the moonlight. Secondly, if you dig a hole in the sand on the beach, please fill it in. In addition to human injury, the sea turtles can become trapped and injured.

**You are welcomed** to set up tents and chairs, but leaving these items on the beach overnight is prohibited.

Glass is prohibited on the beach.

There is no overnight camping on the beach.

Do not use charcoal grills on the beach.

Stay off the dunes. Walking on the dunes will result in a \$500 fine.

Do not park on sidewalks. If you think you have a great parking spot on the side of the road, remember, both sets of tires must be off the pavement. Remember to respect our property owners.

### In Topsail Beach:

Two beach wheelchairs are available for visitors and residents. Reservations and information are available from the Topsail Beach Police Department (910-328-4851) or visit online at [www.topsailbeach.org/Departments/Police/Beach-Wheelchair](http://www.topsailbeach.org/Departments/Police/Beach-Wheelchair)

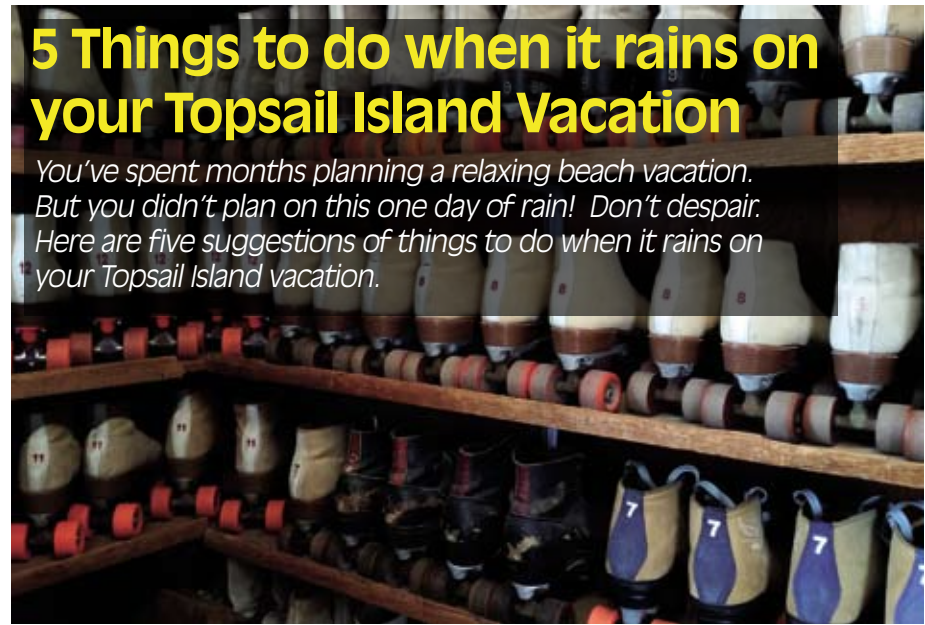

Traditional golf carts are not permitted on the roadways in Topsail Beach. Low Speed Vehicles equipped with headlamps, stop lamps, turn signals, tail lamps, reflex reflectors, parking brakes, rearview mirrors, windshields, windshield wipers, speedometer, seat belts, and a vehicle identification number are permitted.

### In Surf City:

Beach wheelchairs are available by contacting the Surf City Fire Department at 910-328-0175.

## 5 Things to do when it rains on your Topsail Island Vacation

*You've spent months planning a relaxing beach vacation. But you didn't plan on this one day of rain! Don't despair. Here are five suggestions of things to do when it rains on your Topsail Island vacation.*

### Kids at Play:

Head on over to the **Missiles and More Museum** in the afternoon for an adventure to learn about pirates, rockets and a display that may well be the world's largest seashell collection.

Located at 720 Channel Blvd., admission is free. Watch for free programs too!

Go directly to **Topsail Island Trading Company** and purchase Topsail-Opoly, a new take on an old favorite. This game board features Topsail! Pick up some **fudge** while you're at the Trading Company!

You might have to stand in line with an umbrella, but the wait is worth a tour of the **Karen Beasley Sea Turtle Rescue and Rehabilitation Center**. See where the turtles are nurtured and readied for release. Admission fees.

Game time and ice cream at **Patio Playground** where you may find all your favorite arcade games! It's Topsail's Best Ice Cream Shop!

**Topsail Skating Rink** is located above the Topsail Beach Post Office. This throwback rink is typically open 7-10 p.m. Open some rainy days.

### Adults at Play:

Adults will enjoy the many activities suggested for children, but you may just want to explore.

**Shop!** We have many wonderful shops and boutiques to explore.

**Dine** at one of our locally owned restaurants. Visit with the locals. We love it!

Visit **Poplar Grove Plantation** and learn about peanut farming, Civil War, and Gullah Geechee Heritage.

Drive to **Burgaw** and see where shows like Revolution, Under the Dome, and countless movies were filmed. Shop & dine while letting the locals tell you about filming!

Visit **The Trailer Bar**. Yes, it looks like a trailer! They have billiard tables and entertainment in the evenings.
