**PENDER COUNTY**, located in eastern North Carolina and along the east coast, we are within a day's drive with access to major highways that include I-40, US 17, NC 132, and US 421.

Pender County offers a comfortable atmosphere with a mild climate. Small towns and country charm make you feel right at home. We are surrounded by a peaceful environment of beaches, rivers, and woodlands. Access to rivers and local game lands are available all throughout the county.

From the beaches to the battleground, Pender County is host to six towns and seven communities. Whether you are on a quest for history, relaxation, or beauty, each has something to offer. The terrain in Pender County is basically flat and the soil has proven ideal for the county's primary food crop, blueberries. The county enjoys a long growing season, and residents as well as vacationers can participate in outdoor activities almost year-round.

# Welcome to Pender County & Topsail Island

## Welcome to Pender County

where you will find we are a place to visit, vacation, live, work, and play.

With us, you can soak up the sun on a sandy beach, paddle down a scenic river, or travel back in time with the history of Topsail Island or while visiting a historic battlefield or plantation. Topsail Beach and Surf City are sun-splashed stretches of sand that are blank canvases for painting your family memories.

This region offers a beautiful landscape for the perfect vacation – toes in the sand, soaking up the sun and surf or something more adventurous, such as running a Jet Ski up the Intracoastal Waterway or learning to surf, experience stand-up paddle boarding, kayaking, or boating. It is all here!

Pender County is a rich in natural resources. We are a destination vacation playground of water sports, fishing, beaches, hiking and exploring. Traverse the Intracoastal Waterway and our inlets. We have many charters and tour companies who will help you explore our waters. Fish the Northeast Cape Fear River and Black River, launch a canoe at Moores Creek National Battlefield, or fish from our famous ocean piers.

- Our attractions are award winning. Visit the Karen Beasley Sea Turtle Rescue and Rehabilitation Center where sick and injured sea turtles are nursed back to health. Visit Missiles and More Museum, where rocket technology was developed, and where pirate lore is displayed. Don't miss a visit to Moores Creek National Battlefield, Southeastern North Carolina's only national park, the site of the first Patriot's victory over the Loyalists. Tour the Town of Burgaw, the town that Hollywood loves. Our historic town of Burgaw is known for TV and movie shoots, a place where you can walk in the path of the stars on our Hometown Hollywood Tour!

- Our treasured riches include our food fare. We are home to the North Carolina Blueberry, Bacon, and Spot Festivals. We're the "Seafood Capital of the Carolinas." Our restaurants feature tantalizing flavors with a variety of cuisine, seafood, and traditional Southern meals.

- Our friendly communities and great outdoors offer a wide range of activities and unique attractions that you won't find anywhere else. Whether you want to explore or just relax, Pender County is the perfect place to do it.

- The Pender County Tourism Office, the Burgaw Area Chamber of Commerce, and the Greater Topsail Area Chamber of Commerce are here to welcome you.

Surf City & Topsail Island are unique and magical places, so where better to have a fun gift shop full of casual coastal cleverness?

# The Beach Report

## What you need to know when visiting the beach:

We're one of the pet-friendliest islands in North Carolina. In Surf City, dogs are allowed on the beach, but must be always on a leash. In the Town of Topsail Beach, in season, dogs must be on a leash, however, from Oct. 1st – May 14th, dogs are permitted off leash if they are under voice command.

Remember the turtles, lights out! If you are beachfront, please turn off the rear porch and deck lights. Turtles are drawn to light and if the porch light is on facing the beach, turtles, especially hatchlings, become disoriented and die. They need to be guided by the moonlight.

### Beach Safety

Important things to remember when visiting our beaches:

- Make sure you and your children know the address of your rental house - not the house name.
- Pet safety is our concern. Please do not leave your pet in an automobile. Make sure that your pet is also wearing current tags that clearly display your contact information if found.
- Please turn off all oceanfront lights at night, as the lights can be a distraction for nesting and hatching sea turtles.
- The most common threat to the coastal Carolina's is rip currents, they can occur at any time and any place, local officials are usually aware, and warnings are posted. Familiarize yourself with how to deal with them should you be caught in a rip.

### Please enjoy & help to protect our beaches:

- Be aware of ocean & weather conditions – Swim at your own risk
- Keep off dunes

- Please clean up after your pets.
- No littering, Help protect our beach by using the trash & recycle receptacles located at the entrance of each public beach access.
- There is no overnight camping on the beach Personal items will be disposed of if left overnight All man-made holes must be filled.
- No open flames or charcoal grills. Portable gas grills are permitted.
- No glass is allowed on the beach
- No alcohol or smoking/vaping in the areas between Public Beach Access #17 & Public Beach Access # 19
- Swimming & Surfing is not permitted within 300 feet on either side of any commercial fishing pier

### Beach Parking

Paid parking will be from 9 a.m. to 5 p.m. daily until October 15 for beachgoers visiting Surf City.

Surf City Residents & Visitors are now able to register for seasonal parking permits.

### What do the seasonal parking permits include?

- No-cost parking at any of the designated town-owned parking lots
- Season passes valid April 1st – October 15th from 9am – 5pm, daily
